To Whom It May Concern:

I would like to recommend Kris Trudeau as a candidate for a position with your organization.

Kris worked with Studio Publications in a new position as senior web designer for several months prior to the position being dissolved in July, 2009. I am the magazine/custom publication editor at Studio Publications and worked with Kris on the creation and development of our publications' websites.

Kris was a welcome addition to the Studio team. She was very well organized, and completed the projects we had collaborated on together efficiently. She was a team player and worked at creating a positive working atmosphere within the department.

Kris continues to work with Studio Publications in a freelance capacity on some of our upcoming website projects.

If you have any questions, please feel free to contact me at 992-3404 or lindsayduke@studiopublications.net.

Sincerely,

Lindsay Duke
